

CATALOGUE 2008

I've Got the Power.

I've Got the Power.

POWERGEE is an established brand in the battery world.

POWERGEE's winning formula is it's excellent price/quality ratio which most consumers are looking for in a product that now powers more devices than ever!

In today's digital world in fact, batteries power a growing number of high technology products such as CD's, MP3's, PDA's, digital cameras, electronic gaming devices and so on. POWERGEE batteries meet the increasing requirement for portable energy with a diversified range of products for optimum performance. In 2008, Powergee was one of the first companies to introduce "Ready to Use" rechargeable batteries with its "Evolution" series.

Quality, savings and innovation:

Welcome to POWERGEE!

I've Got the Power.

Alkaline

- **Super Alkaline formula for optimal performance**
- **Lasts up to 4 times longer than zinc batteries**
- **Ecofriendly: (0% Mercury, 0% Cadmium)**
- **5 years shelf life**

Applications:

Portable Audio
(CDs, MP3s, radios)
Flashlights
Toys
Cameras
Remote Controls
Alarm clocks
